If you get photos of birds or other wildlife in the Maroochy Gardens, the Friends would love you to post them on our Facebook group, **Maroochy BG Friends**, or on our Instagram , **maroochy\_botanicgardens**. You are very welcome to join these groups and post as often as you like.

Wildlife Queensland (Sunshine Coast branch) have their FaunaWatch survey walks on the second Wednesday of each month (but not January). They meet in the gardens carpark at 8am, and welcome extra walkers/spotters to join in their very interesting walks through the gardens, spotting and recording birds and other wildlife of all sorts. Contact Jill Chamberlain (email: **wildlifercaloundra@bigpond.com** ) for more details.

Birds on our new website (still under construction): [www.friendsofmaroochybotanicgardens.org.au/birds](http://www.friendsofmaroochybotanicgardens.org.au/birds) (or quicker, **Google ' Maroochy Friends '** to get to our site, then look at the 'Discover More' tab )
